Due to modular componetry, we can build a lifter that matches the individual needs of each of our customers.

Each lift mast contains a screw drive which is extremely reliable and requires very little maintenance.

Each lifter has a built-in slip clutch which protects the user from crushing injuries and also prevents backward tipping.

Flexible Design
Due to modular componetry, we can build a lifter that matches the individual needs of each of our customers.

Durable Components
Each lift mast contains a screw drive which is extremely reliable and requires very little maintenance.

Built-in Safety
Each lifter has a built-in slip clutch which protects the user from crushing injuries and also prevents backward tipping.

**LIFT-O-FLEX**
MODULAR IN-HOUSE CONSTRUCTION FOR UNLIMITED OPPORTUNITIES

**Optional Tools Include:**
- Expand-O-Turn
- Lift-O-Turn
- Squeeze-O-Turn
- Lift-O-Squeeze
- Load Platform

**LIFT-N-GO II**
- Capacity = 200 lbs.
- Available in Powder-Coated Blue, Stainless Steel

**20000 Series**
- Capacity = 285 lbs.
- Available in Powder-Coated Blue, Stainless Steel

**19000 Series**
- Capacity = 700 lbs.
- Available in Powder-Coated Blue, Stainless Steel, Wash-Down, Explosion-Proof

**LIFT-N-GLIDE**
- Capacity = 500 lbs.
- Available in Powder-Coated Blue, Stainless Steel
INTELLIGENT HANDLING SOLUTIONS THAT WORK

Voyager

Lifting capacity up to 185 lbs

Variety of mounting options

MOBI-Crane
MOBI-Crane contains height-adjustable columns. Add a mobile platform and you can easily move them between different workstations – a simple manual pallet jack will suffice!

MECHLINE PRO CRANE™
A VERSATILE FOLDING CRANE

Mechline Pro Crane™ can be adapted to each individual workplace, with a reach of over 13 feet, and a height-adjustable column.

• The air feed is integrated into the lifting arm directly into a customized pneumatic handling tool
• Electrically galvanized and maintenance-free
• A variety of pneumatic configurations are available

VACUHAND PRO CRANE™
FLEXIBLE ARTICULATED JIB CRANE WITH INTEGRATED VACUUM LIFTER

Vacuhand Pro Crane™ is a complete stand-alone lifting solution for fast and easy lifting. Vacuhand Pro Crane gives you many advantages:

• Quick and easy lifting of loads up to 185 lbs
• No installation required
• Loads can be grabbed horizontally and vertically and rotated freely
• A large selection of different vacuum grippers
• Quick connection for easy replacement of suction cup / tool

Common lifting applications are cardboard boxes, bags, sacks, panels, barrels, furniture, and more.

Optional Tools Include:
- Steel Platform
- Roller Platform
- Core Probe
- Drum & Reel Carrier
- Drum Clamp
- Jib Attachment

Our Voyager line is light-weight and also incredibly strong. In fact, the specially-designed aluminum frame makes the Voyager line of lifters 30% lighter than standard steel lifters. These lifters are an excellent alternative when lift capacities exceed the capabilities of the LIFT-O-FLEX® lifter line. The Voyager can handle loads up to 2200 lbs. The anodized finish of the unit makes it ideal for use in pharmaceutical and food industries.
**Mechrail**
Professional aluminum crane system that improves the working environment at mechanical workshops and industrial companies in most trades.

**Mechchain Pro II**
Our newest offering from the Movomech line with a lifting capacity up to 500 lbs.

**Mechspace Pro**
A versatile momentum-absorbing manipulator for loads up to 330 lbs.

**Mechline Pro**
A pneumatic wire balancer for lifting loads up to 100 lbs.

**Mechlift Pro**
Telescopic aluminum manipulator that is available in multiple configurations with a lifting capacity up to 1,400 lbs.
